Notice of Conflict or Variance of Law

My Declaration is to Amend any and all previous documents that **i** may have filed as a matter of record, or other communications, in relation to my lineage, or my natural and protected Political inclusions, Equitable and Legal Interests with regards to my legacy, parentage, Birthright and current national status and is intended to correct any errors in those previous documents that **i** may have mistakenly or inadvertently made. In the event of conflict between this and any previous documents, the statement and Claims in this Declaration shall be determined to be my correct Claims on the matter. In the event the interpretation of words, doctrine, idea, principle and laws are in conflict then the interpretations

shall be that of English Chancery and American Equity Jurisprudence circa A.D. 1776 protected by The Constitution Art. III, Sect 2, subd. 1, Maxims of Equity (**Annex Five**), and private trust law (**Annex Five**), equity shall always prevail! Take Notice that the primary equitable rights expressed herein are not cognizable at law, much less by martial rule, and thus *i am* without a speedy adequate and complete remedy at law, and therefore presents a conflict or variance of the rules of law over subject matter of the State of Ohio issued registered organizations "Sandra Lynne Ray", and "SANDRA LYNNE RAY", "Sandra Lynne Shoemaker", "SANDRA LYNNE SHOEMAKER", or any and all derivatives, spellings, and marital names thereof. Said conflict is determined by **said USA's** Judiciary act 1789 §11, §16 & §20 and also and by import of England's High Court of Judicature Act of 1873 Amended 1875 both of which are attached hereto by reference, as well as stated by the Supreme court of Minnesota (Dunnell's 1910 §3140) "when there is a conflict between the rules of equity and the rules of the common law over the same subject matter the rules of equity shall prevail" to the exclusion of generally Roman Civil law or Roman Equity *du jour*, statutes and codes or international law by applying the maxim "Inclusio unius est exclusio alterius," (The express mention of one thing excludes all others).

As a private American Citizen national, party to the Constitution for **The United States of America**, as Amended 15 December A.D. 1791, said original root organic jurisdiction hereinafter said referred to throughout this document as "**said USA**" and said Constitution for it referred as "**my Constitution**" as stated herein this Notice by Declaration herein is to express succinctly with specificity and particularity my Legal and Equitable Nature and Character, Political wishes, intent, will, purpose and conscience. *i* do not voluntarily surrender any part of my sovereignty or Liberties to any non-Republican *de facto* provisional "emergency" martial government, by operation of law, or otherwise, and at all times *i* receive the civilian due process protection of my adopted "The Constitution for the **United States**, as Amended A.D. 1791," **said USA**, and therefore, *i am to be self- governing* in the words within my nation's original executed Bill in Chancery genesis root title document entitled "**IN CONGRESS, July 4, 1776, The unanimous Declaration of the 13 united States of America**" A.D. 1776 "**under the Laws of Nature and Nature's God**" now in its glorious two hundred and fortieth year of our **King Jesus** the Christ Advocate my wonderful Counselor.

Background Premises.

i, :sandra:, do solemnly state my Premises with the following historical facts with regard to my status of *de jure* constitutional non-statutory private American citizenship (said original Constitutional citizenship, secured by Article IV, Section 2, and also described in Article II, Section I Clause 4 ("No Person except a natural born Citizen...."), and which later said definition is made broadened into national citizenship by Section 1 of the 14th Amendment to the Constitution for **said USA**, and, which status is wholly distinguished and entirely excluded from the design of the Roman papacy spearheaded by the order of the Society of Jesus who seeks to permanently displace the organic Common Law liberties of private American national citizens of **said USA** by imposing a State-created, "Roman" statutory *de facto* "voluntary" (defined in Equity Maxim: "*Equity will not aid a volunteer*") public "U.S. citizenship." Said *de facto* public U.S. citizenship, being in practice a privileged Old World Roman citizenship, would enable the constitutionally *de jure* civilian government of the United States (having been constitutionally altered from being a *de jure* "Federal" government to a *de jure* "National" government by the 14th Amendment, A.D. 1868) to be replaced with an extra-Congressionally-created, statutory *de facto* Emergency War Powers military provisional government of the United States on March 9, A.D. 1933. This radical Justinian Roman Equity *coup d'état* i plotted by the infamous "*Society of Jesus*," aided by the Knights of Columbus, and carried out by its Scottish-Rite Masonic agent, President Franklin Roosevelt to displace the well-established republican civilian government whose essence is the

constitutional *de jure* jurisdiction of the United States (the “United States” being “the collective name of the states which are united by and under the constitution,” *Hooven & Allison Co. v. Evatt*, 324 U.S. 652, 672), by replacing it with a *de facto* military provisional government exercising and extra-constitutional alien and foreign *de facto* jurisdiction of the said “United States” (this “United States” being “the territory over which the sovereignty of the United States extends,” *Hooven & Allison Co. v. Evatt*, supra, 671, and their amended “Trading with the Enemy Act” A.D. 1933, 50 USC App.5b).

Further, by replacing the original organic constitutional *de jure* private American Citizenship with *de facto* voluntary public “U.S. citizenship,” thereby enabling the constitutional *de jure* jurisdiction of **said USA** to be legally replaced with a statutory *de facto* jurisdiction of the “United States,” the Jesuit Order fulfills its design of displacing the organic Common Law liberties of the United States as plotted during the Congress of Vienna (A.D. 1814-1815) and the subsequent Secret Treaty of Verona (1822) and for which he was given “the poison cup” on July 4, A.D. 1831 (American inventor Samuel F. B. Morse warned of this Jesuit Conspiracy against America in his epic work *Foreign Conspiracy Against the Liberties of the United States* published in 1835).

Further, this displacement of both *de jure* private American citizenship at Common Law and its counterpart the *de jure* jurisdiction of the “United States” at Common Law, would enable the Jesuits from Georgetown University to use the *de facto* Emergency War Powers American Executive Branch—now possessing the unlimited legislative powers equivalent to as an Old World Roman Praetor issuing “Edicts”—to wield absolute legislative power over the *de jure* fifty sovereign states turned into *de facto* “conquered territories” ruled by the statutorily-created *de facto* national Emergency War Powers military provisional government. This unlimited, congressional power would enable the Jesuits, ruling their *de facto* military provisional government of their *de facto* American Empire to control by statutory sourced authority over every facet of American life “from cradle to grave.” This control would include the imposition of socialist-communism for the building of cartel capitalism and the destruction of the historic White Middle Class Americans (as well as all others); the building of a huge military industrial complex while using their *de facto* public “U.S. citizens” to work in the Jesuit Order’s anti-laissez-faire cartel-capitalist corporations; and to finance and fight the wars of the pope’s American Empire. These international crusades directed by the Society of Jesus from within the United States via its Council on Foreign Relations would be fought for the benefit of the Roman papacy in restoring the Temporal/Political Power of the pope over the governments of all nations while subsequently militarizing those conquered nations.

Further with the change of the *de jure* constitutional jurisdiction of the “United States “ (with its Common Law civilian due process and procedure secured by the Fifth Amendment, the Seventh Amendment and by Section 1 of the 14th Amendment, to a *de facto* extra-constitutional Old World Roman Civil Law jurisdiction of the “United States” [established by an amended World War I statute (starting 1917 Amended 9 March, 1933), a Presidential Proclamation (5 March 1933), and the subsequent abolition of public Common Law Rights and public Common Law civilian due process by the Supreme Court(1938)], an alien and foreign martial due process would be adopted by the federal and state courts fitted for the new *de facto* public “U.S. citizens” living in the states deemed *de facto* “conquered territories.” Since these *de facto* public “U.S. citizens” are, in substance, Roman citizens, and since these *de facto* “conquered territories” are in form and practice Roman provinces and districts under military occupied rule, it is only fitting that the Roman/public “U.S. citizen” should be criminally and civilly subjected to a *de facto* martial due process—IF unchallenged by prima facie evidence proving the accused to instead be a constitutional non-statutory private American Citizen of **said USA** and also rebutting the presumption of not being a Roman public “U.S. citizen”—would confer in fundamental

error or mistake a constitutional threshold issue of martial *in personam*, *quasi-in rem* jurisdiction. With this absolutist judicial jurisdiction limited only by decisions of the Supreme Court the federal courts would be in fact in general practice territorial courts of the *de facto* Roman/Praetor Conqueror “Caesar.” These provisional “emergency” War Powers Courts would enforce the sovereign Will of the *de facto* provisional Emergency War Powers Congress by sitting in a “look-alike-but-not-genuine” enlarged procedurally merged concurrent court of equity/at Law of the pre-1933 era modern merged procedural legal system operating upon a legal fiction imitating the form of The Judicature Act of 1873/1875 (TOA: Pomeroy §124, Gibson §15, §21). The legal fiction would be the presumption of fact that each individual constitutional non-statutory private American Citizen of **said USA** is in quasi-contract, implied trustee, registered agent’s public office with and enfranchised by the probate State of his natural birth, thereby volunteering altering/morphing his constitutional *de jure* constitutional non-statutory private American citizenship inherited at nativity into a legal character statutory *de facto* public Federal “U.S. citizenship” upon the voluntary public filing of, and receiving a dubious notice of, a unilateral voluntary deed/contract the change in status of which enables and obligates the Emergency War Powers Courts to dispose of his matter, federal or state, criminal or civil operating upon now a “non-private citizen” almost as if—but excluded from it in substance—the private Citizen is receiving her birthright substantive rights to fundamental justice the legal treasures of which date hundreds of years but instead in fact having no public legal or equitable basis to now generally to receive it beginning March 5, 1933.

Furthermore, that voluntary unilateral deed/contract instrument without acceptance good and lawful valuable consideration is the public filing of a “Certificate of Live Birth” characteristically patterned after the Roman Catholic “Certificate of Baptism” creating Vatican City-state Roman privileged based citizenship. The American “Certificate of Live Birth”—by operation of law mailed First Class Mail to contribute to the volunteer nature of imperfect delivery/acceptance —is the voluntary imperfect assignment via the exclusive English/American Equity Jurisprudence pursuant to the Maxim of Equity: “Equity will not aid a volunteer; Equity will not complete an imperfect gift,” and/or quasi-contract without receipt of sufficient good and lawful consideration intended to alter my *de jure* constitutionally defined, wholly non-statutory, private American citizenship to that of *de facto* voluntary public statutorily defined “U.S. citizenship.” Because this presumption—that every constitutional non-statutory private American Citizen national of **said USA** is not property and volunteer said Surety without receipt of sufficient good and lawful consideration, and/or, implied trustee without express knowledge or legal capacity to discharge, and for some form of a registered Certificate of Birth—even a true private American Citizen is subject to a public court of jurisdiction who sits in an enlarged modern merged court of Justinian’s Roman Equity, an Emergency War Powers provisional martial regime ruled by the Executive Branch’s executive orders under its defined “public policy.” This *de facto* provisional regime enables and obligates all federal and state courts to sit in a *de facto* martial merged Roman Equity jurisdiction thereby fulfilling the grand design of the Society of Jesus in subverting the express fundamental inherited English/American Equity/Common Law jurisdiction of the United States (as defined per Section 1, 13th Amendment, and Section 1, 14th Amendment) by rendering sterile the constitutional status of *de jure* constitutional non-statutory private American Citizen of **said USA** unless rebutted in law on an individual *in esse sui juris* basis, hence this authored public record by **Me** that you are gleaming at this moment.

Furthermore, this undesirable—dubious at best—design of the “Society of Jesus” against the fundamental substantive Constitutional, Common Law liberties of the constitutional non-statutory private American citizens of **said USA**, is set forth by one of the Order’s Masonic Temporal Coadjutors. That man is Sir Henry Sumner Maine, Regis Professor of the Civil Law in the University of Cambridge, England. In his *Ancient Law: Its Connection with the Early History of Society, and its Relation to Modern*

Ideas (A.D. 1864), Maine set forth his three-part plan that, after its imposition, displaced limited American government born out of the Protestant Reformation (A.D. 1517-1648) and the First American Great Awakening (A.D. 1735-1750). That “unholy trinity” is first the creation of a Legal Fiction, after which the imposition of judicially merged martial Roman Equity following the displacement of an organic English/American Equity/Common Law, then opening the door to congressional unlimited Legislation for the sole purpose of commerce and war. The legal foundation and substance for this *de facto* displacement of the limited constitutional *de jure* “jurisdiction of the United States” is the Legal Fiction. That Legal Fiction, its authority rooted in ancient Justinian Roman Equity, a) is cloaked as benefits or privileges, limited liability, b) is legally imposed by silent voluntary suretyship/implicit quasi-trusteeship by one’s uninformed, unavailing, waiver and consent—ironically wholly founded in Equity Jurisprudence and Maxims of Equity—of **Me** the constitutional non-statutory private American Citizen without my full knowledge on which to avail **Myself** fully of my personal legal and equitable rights due to error, mistake or accident, and c) is established by the general unqualified public filing of a Certificate of Live Birth and the Baptismal Certificate of every federally-owned public “U.S. citizen.” Hence, **Me**, the constitutional non-statutory private American Citizen becomes unknowingly subordinated to a volunteer surety/implicit quasi-trustee, registered agent, for an artificial person and the held property of its alter ego and Gemini Twin the statutory public “U.S. citizen.” As of March 5, 1933, all public “U.S. citizens”—who are originally constitutional non-statutory private American citizens secretly obligated to their volunteer suretyship/implicit quasi-trusteeship/chattel property—were seized as booty of war by President Franklin Roosevelt’s provisional martial emergency war powers Proclamation 2039 which in fact displaced the *de jure* Sovereignty of “**The People**” of **said USA**, attempting, albeit voluntarily, reducing **Me** to being mere chattel property or worse “enemy” of Rome’s *de facto* military provisional government seated in Washington, D.C., to be treated as “rebels and belligerents” living in the fifty states deemed by the Conqueror/Commander in chief to be merely “occupied territories” the seized state governors ruling their *de facto* military provisional governments in subordination to Washington, D.C.

Declarations and Recitals

Preamble

Therefore, **i** find intolerable that my situation of statutorily-altered citizenship status runs against good conscious and good reason, is in contradiction with the maxims of Holy Scripture (Proverbs 11:15; “He who is surety for a stranger will surely suffer for it, But he who hates being a surety is secure”) and in conflict of variance of law with the original established courts of civilian due process of fundamental inherited Common Law as well as the Court of exclusive/inherent Equity/Chancery governed by the Maxims of Equity, Equity jurisprudence and trust law, BE IT RESOLVED **i**, **:Ray-Shoemaker, sandra lynne:** (hereinafter “**:sandra:**”) do HEREBY solemnly state, declare and affirm:

1. Whereas, the State of Ohio issued registered organizations evidenced by "CERTIFICATE OF LIVE BIRTH" and/or "CERTIFICATION OF BIRTH" in (see **Annex One**, attached hereto and made a part hereof, hereinafter jointly referred to as simply "BIRTH CERTIFICATE") is in substance or fact: a) a unilateral quasi-contract under seal, b) an implied contract without consideration, c) an imperfect gift, Deed, transfer or assignment to a volunteer defined in Maxims "*Equity will not aid a volunteer*" and "*Equity will not complete an imperfect gift*", d) a State of Ohio created registered organizations or business trust, to which **i** volunteered to be a registered agent, and for which **i** have repeatedly mistakenly endorsed in writing under my personal liability, under the rules of agency without consideration and without full knowledge or understanding of its provisions of law or facts due to

R-S, s/

error, mistake or accident, altogether which jointly attempts to reduce my birthright and parentage equitable standing to a "volunteer" that effectively bars any aid from a court of inherit and exclusive Equity of court of record under *de jour* status, is created and established legally through a dubious concealment of an operation of law of an implied unilateral contract under seal, and/or implied voluntary suretyship or registered agency to an artificial entity without neither full understanding, nor receipt of sufficient lawful valuable consideration, and/or an implied quasi-trusteeship without express acceptance or disclosure by which to avail all my rights thereof or any legal capacity to discharge thereunder (aforesaid emphasized description hereinafter referred to as "said Suretyship" or "said Surety") where its open-but-false purpose is to aid in the Census as a means of identification in the documentation of a natural nativity as well as for health reasons as well as any driver's license privileges of commercial character over which unlimited legislative power over commerce reigns supreme and other purposes and other superfluous reasons and where its secret-but-true purpose being to craftily swipe and abscond from "**We the People**" of which "**People**" **I am** an irrevocable beneficial member by parentage and birthright holding both reversionary, remainderman and express *inter vivos* interests (see, **Annex Three, and Annex 4**) their/my true "estate" as a constitutionally-created status, their/my access to true genuine inherit equitable and legal rights by nature to hold true title to land titles and primary money thru covenants that are appurtenant and run with the Land, and ultimately, swipe and abscond with their/my life and legacies, inheritances, fortunes, self-determination, good conscience and sacred honor;

2. Whereas, the dubious result of said BIRTH CERTIFICATE a in said **Annex One** said Suretyship acts to reduce my natural equitable standing to a mere surety ("said Surety") of an imperfect gift/transfer/deed which effectively bars any relief from a *de jure* court of the inherit and exclusive jurisdiction of Equity according to the Maxims of Equity "*Equity will not aid a volunteer*" "*Equity will not complete and imperfect gift*" and under fundamental Doc trine of Equity where "**No Person Bound to Act for Another in any Matter can, as to that Matter, Act for Himself**" where Courts of Equity lay it down as a rule, without exception, that no trustee--i.e., Registered Agent--shall in any case, or under any circumstances, directly or indirectly, acquire any personal interest or title in or to the trust property, or its proceeds, or make any personal profits out of the trust, or by means of his trust character, without the full consent of the beneficiary, give under circumstances that leave no room whatever to question the perfect fairness and good faith of the whole transaction;
3. Whereas, the purpose of said BIRTH CERTIFICATE is in fact to be Suretyship arrangement, an unconscionable unilateral adhesion quasi-contract without consideration under seal between the state of the baby's natural nativity and the mother of the baby, the baby then deemed mere-abandoned property chattel for the Federal *de facto* military provisional government of the United States, and said BIRTH CERTIFICATE being recorded by the STATE;
4. Whereas, due to my Mother's accident, error or mistake of sacrificing my rights during infancy/childhood due to her legal disability, lack of competent legal capacity being generally legally disabled, and without full disclosure of the true nature of the transaction and to avail herself of all her baby girl's --my private equitable estate--private substantive rights, serve as converted commercial collateral securities for the unquestionable public debt as per Section 4 of the 14th Amendment;
5. Whereas, the true nature of the date of filing on said BIRTH CERTIFICATE, a voluntary unilateral quasi-contract without consideration under seal, reducing my equitable standing to a mere said Surety of an implied acceptance of an imperfect gift that effectively bars any relief from a court of inherit exclusive Equity under Maxim, is to born the quasi-corporate artificial person/public "U. S. citizen" created by all necessary legal elements of said Suretyship, (it being a deed in writing, signed, sealed and delivered for registration and filing with a public office of the baby's state of live birth);

R.-S. s/

6. Whereas, the two fold true nature of the date of nativity of the baby allegedly named on said BIRTH CERTIFICATE is to commit that natural person/constitutional non-statutory private American Citizen as Surety—and personal property of—the state-created artificial person/public “U.S. citizen” both entities being legally bonded/merged into one legal entity under the doctrine of agency for a principle who cannot act for himself, the hybrid, federally-owned public “U.S. citizen” and secondly, to bar equitable relief where by Maxim “*Equity will not aid a volunteer*” and “*Equity will not complete an imperfect gift*” an essential part of the insidious conquest of commercial securitization of “good titles” aka “imperfect assignment, imperfect gifts and marketable title”—all perfectly legal in their nature without any cognizance of a court inherit exclusive Equity and thereby defaulting to a general Roman Equity *du jour* status of limited privileges as said Surety with unlimited personal liability to a legal fiction artifice, the result of which is the total opposite of the intent and purpose of the principles and legislative intent of the formation of the original **said USA** where two titles are obtainable, rather only limited privilege of the State, and it the norm under permanence state of conflict or variance of law between the principles of American Equity and principles of Roman equity;
7. Whereas, said BIRTH CERTIFICATE is a public instrument recorded with the County Registrar or Probate Clerk or Chief Administrator under seal, a subsidiary of the Secretary of State (of the several states treated as “conquered territories”), also sent to the Bureau of Census a division of the Department of Commerce in Washington, DC placing the NAME of the Public “U.S. citizen” into interstate and foreign world commerce as a statutory legal “person” (as are corporations, partnerships, statutory trusts, corporate soles, etc.) distinct and separate from the “natural born Citizen”, i.e. the constitutional--non-statutory-- private American Citizen national of the **said USA**;
8. Whereas, said BIRTH CERTIFICATE, functioning as an assigned public instrument without sufficient good and lawful valid consideration, has dubiously—by my quiet procurement--hoodwinked **Me** without my knowledge or understanding or express consent, into said Suretyship for an artificial “U.S. citizen” and obligated **Me** to a covert implied contract by operation of law of an incomplete transfer of a gift, devolving upon **Me**—my *birthright status*--under an alien foreign and yet “temporary,” *de facto* military jurisdiction of the United States created at first by the “Emergency Banking Relief Act” its initial paragraphs containing a congressionally amended World War I statute known as the October 7, 1917 CH. 106, 40 STAT, 411 “Trading With the Enemy Act,” herein incorporated by reference, (where its citizens—private in nature—of the United States circa A.D. 1917 are congressionally intended to be excluded from its application) combined with President Franklin D. Roosevelt’s Emergency War Powers Proclamation 2040 decreed by him on March 9, 1933, c.1. Title 1, Sec. 1, 48 State, 1., H.R. 1491 herein summarily referred to as “**TWEA/EBRA**” codified as its 50 U.S.C. App. 5(b) and 12 U.S.C. 95a,b respectively, that as amended now only applies to artificial “persons”;
9. Whereas, the above *de facto* provisional martial jurisdiction of the United States includes the jurisdiction of the constitutionally-created federal and state civilian courts (in form by characteristic) sitting in a marital Roman Equity “public policy” proceeding springing entirely from the executive office of the Commander in Chief's executive orders (Roman “edicts”)—only in form by the characteristic of the real natural organic English/American Equity jurisdiction—the courts no longer proceed against the accused constitutional non-statutory private American Citizen of **said USA** with the Mode of the original fundamental inherited English/American Common Law/original Equity/Chancery Jurisdiction using civilian due process (in true original judicial substance and form), but instead the courts proceed with the Mode of a Roman Civil Law martial due process, that if unchallenged by producing state-filed public records and other prima facie evidence will confer a martial jurisdiction over the accused then force the accused to plead in a court imposing marital due process and administrative procedure--void of any true natural substantive rights by birth right—

derived from a congressionally-amended World War I statute as of March 9, 1933, the federal and state judges acting on behalf of the *de facto* military dictator-commander-in-chief-monarch-praetor seated in Washington D.C.;

10. Whereas, Article I Section 7, clause 2 and 3 of my said Constitution does not permit any and all of the congressional, legislative, and executive branch conduct noted since March 5, A.D. 1933, now in its 82nd year, to be established as law that applies in fact or in law to **Me**, *I* believe and put great reliance upon that said constitution holds these acts null and void as a matter paramount Law that affects **Me** or my immediate private family as private Citizens of **said USA** and based upon the Supreme Court of the District of Columbia case law quoted above, *i* do not waive said paramount Law on relation to said null and void acts beginning March 9, A.D. 1933 along with thousands Executive Orders "Public Policy" as established as *de facto* Law or to have any purported effect upon **Me**, in my past, present, or in the future;
11. Whereas, as said Private American Citizen national of **said USA** *i* reserve the Right to Politically challenge , and do not Politically waive, but invoke said Constitution on relation to its Article 1, Section 7, clause 2 and 3, *i* believe my said Constitution mandates how bills and other acts of Congress shall be made into Laws of **said USA**. *i* believe the extra-constitutional --dubious -- provisional emergency war powers under the auspice of the "law of necessity" to impose upon **Me** a Roman Equity marital rule is wholly counter the original intent of the Founders, against good reason and good conscience, and do not grant the creation as Law or any purported bill or purported act not enacted pursuant to the limited grant of Powers including but not limited to Article 1, section 7, clause 2 and 3 as purporting to have any force of Law upon **Me**;
12. Whereas, because the public filing of the BIRTH CERTIFICATE creating the implicitly attached private American Citizen national of **said USA** serving as said Surety for an artificial person and *i am* presumed to have "abandoned" such property and *i am* presumed to be as "absentee" from private birthright estate, and my private estate escheats to the State as another major "source" that would generate "income" which then could be income/excise/privileged taxed as Escheated where the "administrators" become the "qualified heirs" enjoying their "generation skipping tax" transfer that escheats the property of the private American Citizen heir/devisee/legatee not otherwise possible at Common Law or Equity;
13. Whereas the natural private person/baby/constitutional non-statutory Private American Citizen national of **said USA** now bonded/merged into his new public artificial person "U.S. citizen" as its commercial property is subordinated said Surety as the new revenue "source" (deemed a "rebel" and "belligerent" residing according to state statute in a state deemed a military "occupied territory") being in public commerce and subject to the absolute legislative powers of the "temporary" Emergency "War Powers Act" Congress (1933 A.D. to present) to regulate without limit interstate and foreign commerce pursuant to Article I, Section 8, Clause 3 of The Constitution for **said USA** during this time of a provisional "temporary" declared state of National Emergency (2015 A.D.) in its eighty-second (82nd) year:
14. Whereas, *i, :sandra:, in esse and sui juris*, a constitutional non-statutory private American Citizen national, is ceased to be said Surety--and the personal property of--public "U.S. citizen" "Sandra Lynne Ray" or "SANDRA LYNNE RAY" or "Sandra Lynne Shoemaker" or "SANDRA LYNNE SHOEMAKER", or any and all derivatives or marital names, by means of a duly filed and recorded Notice of Acknowledgement and Acceptance Without Consideration, Notice of Release, Resignation and Disclaimer *ab initio* (Annex One attached hereto and made a part hereof) and Declaration of Truth: Notice of Rescission of Signatures of Suretyship *ab initio* (Annex Two attached hereto and made a part hereof), thereby returning to the former status of being a constitutional non-statutory private American Citizen of **said USA** held for less than fifteen (15) days (18 May 1959) after my natural nativity event (five May nineteen hundred fifty-nine;

15. Whereas, *i, :sandra:, in esse and sui juris*, separate and distinguish **Myself** both as "Agent without recourse" from the state-created franchise legal entity , "Sandra Lynne Ray", and "SANDRA LYNNE RAY", "Sandra Lynne Shoemaker", "SANDRA LYNNE SHOEMAKER", or any and all derivatives or marital names, created by means of this publically filed CERTIFICATE OF LIVE BIRTH and CERTIFICATION OF BIRTH, respectively, attached hereto and made a part hereof as **Annex One** and hereby irrevocably releases, disclaims , revokes and terminates without consideration all powers, including, but not limited to, Powers of Appointment or Attorney *ab initio* including by not limited to State of New York fiduciaries, appointees and intermediaries Doctor Naoma D. Green M.D. and J. N. Hibble, Registrar their successor and assigns signed on the original "Certificate of Live Birth" shown in said **Annex One** Powers of Attorney and/or Agency that Declarant may have granted to any third party, public and/or private. Therefore, *i am* not subject to, and wholly excluded from, FDR's contract with all "U.S. citizens" Proclamation 2040 and approved by Congress in its passage of the "War Powers Act" and "Emergency Banking Relief Act" thereby amending the "Trading With the Enemy Act." Therefore, *i am* not primarily defined, or constituted by, a legal estate of registered agency (as are corporations) and therefore *i* disclaim any commercial quasi-privilege of limited liability as it may relate to any "United States citizenship" status (as do corporations being also public "U.S. Citizens") having now released and discharged all federal and state *de facto* Emergency War Powers Military Governments from any duty or obligation having arisen from Declarant being the property of, and said Surety for and/or bonded/merged, to the state-created hybrid federally-owned public "U.S. citizen" in the service of Washington, District of Columbia;
16. Whereas, *i, :sandra" in esse and sui juris*, return to my original antecedent former protected status of being an American freeman and constitutional—non-statutory—private American Citizen, to wit: a *de jure* private American Citizen national of The United States of America under Section 1 of the 14th Amendment and also referred to in Article II, Section I, Clause 4 and Article IV, Section II of said Constitution, therefore *i* stand "*in esse*" and "*sui juris*", possessing the certain unalienable rights--written and unwritten, perfected for my benefit, use and enjoyment by the Bill in Chancery document entitled "IN CONGRESSS, July 4, 1776. The unanimous Declaration of the thirteen united States of America", and also protected by the first eight amendments of the Bill of Rights, all Constitutional rights (federal and state) and all fundamental rights inherited through private trust law of a substantive *de jure* private American Citizen national of **said USA** and *i am* no longer said Surety, and/or bonded/merged into a *de facto* state-created public "U.S. citizen" owned by the federal *de facto* provisional "emergency" Military Government of the United States;
17. Whereas, *i, :sandra:, in esse and sui juris*, **am** no longer the legal property of, nor registered agent in a public office of, nor bonded/merged into a *de facto* public "U.S. citizen" (which is "*alieni juris*") therefore no longer under the *de facto* jurisdictional power of statutorily-created *de facto* provisional Emergency War Powers Governments (federal and state) as those absolute legislative absolute executive and absolute judicial powers are exercised towards a *de facto* public "U.S. citizen" deemed a "rebel and belligerent" statutorily "residing" in a state deemed and "occupied territory," and **therefore i am no longer under the paternal guardianship "Master" of said provisional Emergency War Powers Government** (federal and state) as those absolute paternal powers are exercised toward its "infants, idiots children and wards" *de facto* public "U.S. Citizens";
18. Whereas, per Roman Civil law the use of *Capitis diminutio maxima* consisting of the loss of liberty, citizenship and family where a person's status is changed from freedom to bondage, and where in *Capitis diminutio maxima* there is the highest loss of status which is herein described in the use of all titles, of birth, property and rights to extend outward in the requiring of permission in order to conduct commerce under the military doctrine of plausible deniability;

19. Whereas, *i, :sandra;* in esse and sui juris, deny that the “**One People**” have granted power within the Constitution of **said USA**, in their sovereign authority under the great “**I Am**” to compel any particular choice of government as against my Republican *de jure* form of National Government;
20. Whereas, for the Sacred Scriptures at “The path of the righteous is like the morning sun, shining ever brighter till the full light of day”—Proverbs 4:18; “This righteousness is given through faith in Jesus Christ to all who believe. There is no difference between Jew and Gentile”—Romans 3:22; “But of Him are ye in Jesus Christ, Who God is made unto us wisdom and Righteousness, and sanctification, and redemption”—1st Corinthians 1:30; “And he said to him, ‘You shall love the Lord your God with all your heart, and with all your soul, and with all your mind. This is the great and foremost commandment. The second is like it. You shall love your neighbor as yourself. On these two commandments depend the whole Law and the Prophets.’”—Mathew 22:37-40 (see attached hereto and made a part hereof **Annex Five: Table of Authorities “TOA”**);

Summary of Declarations and Recitals of Oath of Allegiance and Personal Covenants

i :**Ray-Shoemaker, sandra lynne** : ("**sandra**"), **am** a constitutionally defined and protected *de jure* non-statutory private American Citizen national of the **said USA**, and therefore, *i am* a constitutionally acknowledged and protected *de jure* private Citizen privately dwelling within the nation Colorado boundaries and borders as defined by the constitutional post office department established A.D. 1792, privately and specially dwelling within a non-military occupied private estate outside a "Federal District" and not subject to the jurisdiction of the "United States."

i, :sandra;, hereby Claim my sovereign status by parentage, birthright and as a direct blood descendant of the **posterity**, of the People who form the American Union of the **several states of The United States of America**, and who are recognized internationally by King George III of England as **sovereign** in the Treaty of Paris, A.D. 1783. Those people create and sign the **Declaration of Independence**, A.D. 1776; the **Articles of Confederation**, A.D. 1776; the **Constitution for the Commonwealth of Virginia**, A.D. 1776; the **Constitution for The United States of America**, as Amended A.D. 1791; and also create the **several States** and **The united States of America** and grant limited powers of their sovereignty to those Nation-States formed thereby. Further, they pledge their lives and property to the support and defense of the Contentions of the *newly* formed States to which they grant limited powers of their **sovereignty**. As the direct **posterity** of these people, *i* make my Claim thru declaration, parentage, birthright, intent and by allegiance as a beneficially interested member of the Constitution for **The United States of America**, as Amended A.D. 1791. *i* claim similar status by inheritance to, and subject of, the Treaty of Paris, A.D. 1783, as a matter of International Law thereto.

Therefore, *i, :sandra;*, a private American Citizen national of **said USA** who hold the constitutionally-protected fundamental right to a civilian due process of law on both a federal and state level and who having no adequate remedy at common Law much less Roman Equity and overall who is legally disabled when my parents unknowingly sacrificed my rights (Maxim: "*Equity comes to the aid of the legally disabled*" TOA: Gibson section 35). *i* require therefore to be under the rules of equity where the Judicature Act of 1873 that is imported into the Judiciary Act of the United States, to wit: "*when there is a conflict between the rules of equity and rules of law over the same subject matter the rules of equity shall prevail*"(TOA: Gibson §8). *i am* excluded by law from the dubious "Emergency Banking Relief Act" that invariably imposes a martial due process of law (by way of the amended "Trading with the Enemy Act") on any artificial "person within the United States," and *i am* no longer deemed federal

“prize/booty of war,” but, *i am as-foreign* by characteristic and by nature to the current extra-constitutional alien *de facto* provisional Emergency War Powers Military Governments of the “United States”; and therefore, *i am as-foreign* to said extra-constitutional alien *de facto* provisional Emergency War Powers Military Government of the State of Colorado as well as *as-foreign* to said extra-constitutional alien *de facto* provision Emergency War Powers Military Government of the other forty nine(49) States’ said extra-constitutional alien *de facto* provisional Emergency Par Powers Military Governments who are “temporarily” created by Congress’ **TWEA/EBRA** and by President Franklin D. Roosevelt’s Presidential Proclamation Number 2040 on March9, 1933, a most notable Jesuitical “Consecration” *coup d’etat*—that great day of infamy against they, the Sovereign American People of **The United States of America**--the People, who granted, settled and established the grand and glorious Constitution for **The United States of America** with its Christian—inspired Bill of Rights for themselves and for their Posterity of/by which *i am* a beneficially interested member.

This “**Declaration of Status of :Ray-Shoemaker, sandra lynne:, American, freeman, Private American Citizen national of The United States of America**” supersedes and replaces previous filing with any other public office of said Declaration of Status.
